*HUMAN RESOURCE EXECUTIVE* ANNOUNCES THE 2001 TOP TRAINING PRODUCT  
CONTEST WINNERS

September 27, 2001, Horsham, PA – *Human Resource Executive* magazine has announced the winners of the 2001 Top Training Products Contest.

Each year the editors receive products released from July 1 of the previous year through July 1 of the current year. These products are then evaluated and the top 10 are chosen based on the following criteria:

- ▶ Does the product meet its self-stated objective?
- ▶ Does the product offer an interesting or unusual form of presentation?
- ▶ Is the product unique?
- ▶ Does it provide above average support materials to reinforce the training theme?
- ▶ Does it provide clear and concise directions for both leaders and participants?

The 2001 winners are:

NYUonline's Train the Trainer, a certificate program designed to teach corporate-training professionals to develop effective online training programs for their businesses or organizations. NYUonline is based in New York, NY.

ErgoLogic Facilitator Training from BodyLogic Health Management, International Falls, Minn., a train-the-trainer program that offers the skills and knowledge a supervisor needs to set up a basic, well-rounded musculoskeletal-injury prevention program.

Strategic Leadership Experience, a four-day program from Development Dimensions International, Bridgeville, Pa., assists leaders in making the transition from operational-level to strategic-level leadership.

Holland, Mich.-based CDAWN Learning's *The Corporate Genome: Unleashing the Power of Our Diversity*, an interactive e-learning course developed to help participants address issues related to diversity and improve teamwork within an organization.

Click2learn *ToolBook II Assistant 8.1* from Click2learn, Bellevue, Wash., an e-learning program designed for HR or training staff new to creating interactive e-learning applications.

AchieveGlobal's product, *Winning Account Strategies*, a two-day workshop centered on helping salespeople and sales managers develop strategic long- and short-term plans for their accounts. AchieveGlobal is based in Tampa, Fla.

Tampa, Fla.-based Paradigm Learning's *e-Velocity: The Game of e-Business Strategy*, a game designed to help an organization maximize the power of technology by ensuring that its people are familiar with, and know how to get the most out of its investments.

*What Supervisors Need to Know About Discriminatory Harassment*, an online course from Interactive Employment Training Inc., Jericho, N.Y., teaches supervisors how to identify and resolve potential problems related to discriminatory harassment.

Designed for office workers, *Ergonomics in the Office*, a product from AdvanceOnline Inc., Seattle, teaches ways to reduce the risk of carpal tunnel syndrome and other repetitive injuries.

*Coaching: Applying the Coaching Process*, a self-paced instructional program that teaches people how to coach through simulated scenarios from NETg, Naperville, Ill.
